# SOUTH AFRICAN WINE TRIO

## INDABA CHENIN BLANC

Chenin Blanc is South Africa's most widely planted varietal and the Cape's signature white. This fresh, easy drinking version offers vibrant flavors of honeyed pear, golden delicious apple and luscious tropical fruit.

## HAMILTON RUSSELL PINOT NOIR

This low-vigour, stony, clay-rich soil, cool maritime mesoclimate, naturally tiny yields of well under 35 hl/ha and their philosophy of expressing their terroir in the wines – give rise to a certain tightness, tannin line and elevated length to balance the richness and generosity of this Pinot Noir. The Pinot Noir is not overtly fruity, soft and “sweet” and it generally shows hints of that alluring savory “primal” character along with a dark, spicy, complex primary fruit perfume.

## KANONKOP KADETTE

The bright ruby color of this wine is complimented on the nose by attractive aromas of red currants, cherries, spice and a touch of mocha. The palate is lively and fresh, with succulent raspberry flavors. The fruit is supported by a firm, yet silky tannin structure. Savory notes persist on the lengthy finish. Chill it down for a refreshing summer drink with seafood, or serve at room temperature when paired with pizza, pasta, stews, roast chicken and barbecued meat.
