**Winemaker:** Jenny Wagner

**The wine:** No. 2 bottling is 56% Chardonnay and 44% Pinot Noir, produced on Méthode Traditionnelle. Sourced from cooler coastal regions of California. Non-vintage with extended aging.

**Tasting notes:** Daffodils, biscotti and a hint of new leather. Soft bubbles fill the mouth.

**Winemaker:** Charlie Wagner

**The wine:** Sourced from premier California growing regions, featuring Petite Sirah, Zinfandel and Cabernet Sauvignon. Drink chilled to enhance the fruit profile and enjoy any time of year.

**Tasting notes:** Scents of fresh brewed coffee and baked cherry pie, with notes of brown spice. Smooth, grippy tannins.

**Winemaker:** Chuck Wagner

**The wine:** Reflects the “bonanza” of the great state of California – the discovery of land where delicious Cabernet can be farmed. Celebrates good wine as a simple pleasure of life.

**Tasting notes:** A warm nose of crème de cassis, milk chocolate and fresh plums. Entry is smooth with fine, gritty tannins.

**Winemaker:** Chuck Wagner

**The wine:** Features a signature style – dark in color, with rich fruit and velvety tannins. Grapes are farmed in 8 of Napa’s 16 sub-appellations to harness the region’s great diversity of land.

**Tasting notes:** Scents of cassis, blackberries and pomace fresh off the skins. Fruit-driven with an overlay of French oak on the finish.
